PROJECTS

• Internship Management System

- Built an Interns Management System for institutions and industries to manage interns, teams, tasks, and announcements.
- Created admin features to add interns, assign work, approve leaves, manage teams, and track feedback.
- Designed user dashboards to show work status, team info, leaves, feedback, and personal profiles.

Role: FullStack Developer

Technologies used: React JS, Tailwindcss, Node JS, Express JS, MySQL

Duration: 2 Months (Oct 2024 - Dec 2024)

• Online Code Space

- Developed a coding platform that helps students and developers practice problem-solving and improve coding skills.
- Built user pages to show upcoming, ongoing, and completed tests with a clean and interactive interface.
- Designed admin pages to manage students, assign problems with deadlines, view submissions, and track test reports.

Role: Front-end Developer & UI/UX Designer

Technologies used: React JS, Css, Figma

Duration: 2 Months (Jun 2024 - Aug 2024)

• Smart Online Marketplace - Ongoing

- Developed a scalable E-commerce platform to support small businesses in managing and selling their products online.
- Designed user-friendly interfaces for smooth product browsing, cart functionality, and secure order placement.
- Built admin features to manage product listings, handle customer orders, and monitor sales activity.

Role: FullStack Developer

Technologies using: React JS, Tailwindcss, Node JS, Express JS, MySQL

• Other Projects

- Media Gallery App
- Designed Menu Page for Online Food Ordering App
- Personal Portfolio

AREAS OF INTEREST

- Full Stack Development
- Web Development
- Problem Solving
- Cloud Computing

COURSE

- AWS Cloud Practitioner Essentials

WORK EXPERIENCES

- **Student Intern in Cloud Computing Laboratory at BIT**

As a Fullstack Developer and Technical Trainer for freshers, exploring cloud technologies and developing dynamic web applications.

Duration: Sep 2023 - Sep 2024

HOBBIES

- Content Creation
- Video Editing
- Philosophical Thinking

EXTRA-CURRICULAR ACTIVITIES

- NCC Cadet
- Received Rajya Puraskar Award (2020)
- Attended 5 Army firing camps

LANGUAGES KNOWN

- Tamil - Native or bilingual proficiency (R,W,S)
- English - Full professional proficiency (R,W,S)
- Telugu - Native or bilingual proficiency (S)

DECLARATION

I hereby declare that all the details provided above are true to the best of my knowledge.
